EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The application has been amended as follow:

In the claims:

1) Claim 15 line 11, after "in" deletes "an" inserts - -the- -.

2) Claim 15 line 16, after "dielectric isolation layers in" deletes "an", inserts - -the- -.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Bouscaren, June on 12/09/2004.

Reasons for Allowance

3. Claims 15-23 are allowed.

4. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose the combination of a method of manufacturing a packaged IC recited in the base claim 15, including the combination of the process steps comprising: calculating trace width and spacing requirements of one or more signal and signal complement traces for a matching impedance at a given dielectric constant using broadside coupling in an IC package design, positioning the one or more signal and signal complement traces to maximize broadside coupling according to the step of calculating in the IC package design, positioning one or more signal and signal complement trace conductive reference layers parallel to the signal and signal complement traces separated by signal and signal complement trace dielectric isolation layers in the IC package design.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

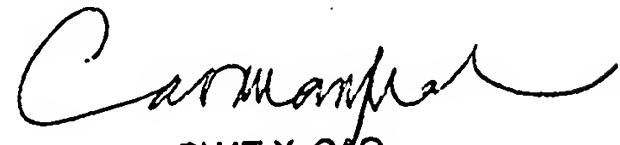

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Theresa T Doan whose telephone number is (571) 272-1704. The examiner can normally be reached on Monday to Friday from 7:00AM - 4:00PM.
